"First Grave on the Right" by Darynda Jones

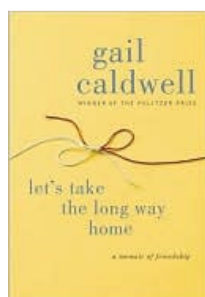

What do you get when you cross a private investigator with a spiritual medium? Charley Davidson, the heroine who makes you laugh out loud!

This debut novel is quirky but fun. Mystery, suspense and steamy supernatural romance will have you turning pages faster than you can snap your fingers.

Publisher's Weekly mentions that it will appeal to fans of Mary Janice Davidson and Janet Evanovich. I would also invite fans of Meg Cabot, Sherrilyn Kenyon and Charlaine Harris to read this book and the newly published sequel "Second Grave on the Left." –Anon VIII

“PROHIBITION” FILM SCREENING

Wednesday, September 21

6:30 p.m.

TLCAN

The Demmer Library invites you to attend a free film screening and discussion of the documentary, *Prohibition*. The one-hour film is a three-part, five-and-a-half-hour documentary film series directed by Ken Burns and Lynn Novick that tells the story of the rise, rule, and fall of the Eighteenth Amendment to the U.S. Constitution and the entire era it encompassed. The culmination of nearly a century of activism, Prohibition was intended to improve, even to ennoble, the lives of all Americans, to protect individuals, families, and society at large from the devastating effects of alcohol abuse. The story of Prohibition's rise and fall is a compelling saga that goes far beyond the oft-told tales of gangsters, rum runners, flappers, and speakeasies, to reveal a complicated and divided nation in the throes of momentous transformation. The film raises vital questions that are as relevant today as they were 100 years ago - about means and ends, individual rights and responsibilities, the proper role of government.

The screening of *Prohibition* will be held on Wednesday, September 21, 2011 at 6:30 p.m. at the Three Lakes Center for the Arts in the Northwoods, 1760 Superior St. Free admission with concessions available for purchase. For more information about this program please visit our website www.demmerlibrary.org or call us at 546-3391. This film is brought to you by Wisconsin Public Television in partnership with the American Library Association. Check your WPT listings for the date and time the entire mini-series will air on your local public television station.
