BOOKS – THE OTHER CHANNEL

Have you wondered what all this chatter is about “book groups”? Have you been cautiously curious but haven’t taken any action to get involved? Here’s your chance to join the stimulating fun in a non-threatening environment.

Check-out the **Books–the-Other Channel** book discussion group. Any one is welcome to attend. You may attend a particular session if the book is of special interest to you or you can attend as often as you like. We have chosen the books to read for the coming year and people to facilitate them. The schedule of choices is on our website or can be picked up at the library. When you attend a discussion, it’s your choice as to the level of your participation. You may sit back and enjoy the interchange or you can jump right in with your thoughts and opinions. All are welcome.

Oh, and did we mention, we don’t just have an appetite for books, but treats are always served. We generally meet the fourth Tuesday of the month. We do vary that a bit though around holidays. We meet in the lower level of the Demmer Library at 6:30 and are usually talked out by 8:00, although social talk can last as long as you like.

The **Books-the-Other Channel** book discussion group will be discussing Don't Forgive Too Soon – Extending the Hands that Heal by Dennis Linn, Sheila Fabricant Linn & Matthew Linn on Tuesday, October 27, 2009 at 6:30 p.m. in the lower level of the Demmer Library.

Thanks to everyone who participated in the 1st Three Lakes E-Recycling Event!

This successful event prevented more than 700 electronics items from being disposed of in the landfill. First Choice Computer Recycling LLC, with the help of volunteers from the Three Lakes Lions Club, collected 144 computer monitors, 106 CPU's, 90 printers, 97 keyboards, 6 scanners, 12 fax machines, 6 typewriters, 2 LCD's, 17 laptops, 79 t.v.'s, 11 microwaves, 2 refrigerators, 1 washer and many other miscellaneous items, despite the heavy rainfall on the August 27th collection day. Due to the overwhelming response of the community at the E-recycling event we hope to have another E-Recycling event in June 2010. Look for details in upcoming newsletters. A special thanks to the Three Lakes Chamber of Commerce and the Town of Three Lakes for their assistance in coordinating this successful e-recycling event!

How to “Suspend” an Item Request

Did you know that you can “suspend” your hold requests while you are gone on vacation? For example: if you have some books on request and realize that you will be out of town – you can “suspend” your requests to ensure the books don’t arrive while you are out of town.

Just follow these simple instructions:

1. From our web page <http://www.demmerlibrary.org/> , click on “your account” from the left hand column.
2. Enter the barcode (from your library card) and your four digit PIN and click on “Log-In”.
3. Click on “Hold Requests”
4. Click on the box next to your requested item to select the item you wish to “suspend”
5. From the drop down menu choose the date on which you would like your request to resume
6. Select “change status” and then log off your account.
7. Please call the library at 546-3391, if you need further assistance.

Check-out *Great Books Discussion Group of the Northwoods!*

OCTOBER IS FAMILY HISTORY MONTH

The Three Lakes Demmer Library, along with the Three Lakes Genealogical Society, is jumping into the spirit of Family History month with two special programs. The Society has started one-on-one sessions for anyone who has the slightest interest in family history research. Intended for those who may have thought about organizing their family history but just not sure how to get started, a member of the Society will set up a mutually acceptable time at the library to help people get started. For more information, call Nancy at the library at 546-3391 or Charlene Roberts at 546-2823.

The second collaboration between the library and the Society will be a "Lockin" held at the library on Thursday, October 29 at 5:30 p.m. This after-hours session will be just for those who are interested in dedicated family history research. Members and those interested in family history research will have access to the library computers with the online genealogy programs available through the Wisconsin Valley Library Service, along with The Genealogy and Local History Room resources. Members will also be available to help others with their genealogy questions and brickwalls. Anyone interested in participating in the "Lockin" who is not a member of the Society should call Nancy at the library at 546-3391 to sign up.
