

## Downloading OverDrive eBooks to Your Kindle

### Before you download you will need . . .

- An Amazon Kindle or Kindle App
- An Amazon.com account
- Although eBooks are delivered directly to the Kindle, you will need to use a computer to manage the checkout process
- **DO NOT DOWNLOAD** Adobe Digital Editions for Kindle compatible eBooks as you do for other eBook readers

### Check out an eBook for Kindle and Transfer to a Kindle or Kindle App:

1. Go to [www.demmerlibrary.org](http://www.demmerlibrary.org) and click on **Overdrive/Wisconsin's Digital Library** listed beneath the Online Resources heading on the left side of the webpage **or** go directly to the website [dbooks.wplc.info](http://dbooks.wplc.info)
2. Click on **Sign In** at the upper right corner of the webpage
3. Type in **Edward** or choose **Edward U. Demmer Library – Three Lakes** from the list of libraries.
4. Type in your **Library Card #, 4-digit PIN**, place a **Check Mark** in the box *Remember my login information on this device*, and click **Sign In**
5. To Browse or search for an eBook in Kindle Book format that you want to download
  - (1) Click on **Advanced Search**
  - (2) From *All Formats* option select **Kindle Book** from the drop down menu
  - (3) **Check Mark** the box *Only show titles with copies available* and click **Search**
  - (4) To narrow your search you may click on a subject such as **Young Adult**
  - (5) Click on the **Book Image** for more information about the book
- ❖ If a book is checked out, you may place a hold on it and you will be notified via e-mail when it is available. You have 3 days from the date of your e-mail notification to download the eBook before it advances to the next person on the hold list.
6. Click the **Borrow Icon** which will direct you to your "Bookshelf"
  - Click **Download** and select **Kindle Book Format**  
(Be sure that you select the Kindle Book format otherwise you may choose an incompatible format which will count against your 10 book limit)
  - Click **Confirm & Download**
7. An Amazon.com window will open showing your title in the Amazon Kindle store
8. Click the **Get Library Book** button
9. Sign in to your Amazon.com account using your e-mail address & Amazon password
10. Choose a device from the "Deliver to" drop down menu, click **Continue**
11. The eBook will be delivered wirelessly to your Kindle or Kindle App (download will start immediately if you are currently connected to Wi-Fi) otherwise the next time you connect to Wi-Fi the book will download to the device you selected.
12. eBook will be available on your Kindle device **Home page**

## Transfer an eBook to a Kindle via USB connection from your computer:

1. After Step #8 (see above), choose **Download and Transfer via USB**
2. Save file to your desktop, or other easily accessible location
3. Connect Kindle to your computer using USB cable
4. Open Kindle drive (located in My Computer or on Desktop)
5. Drag and drop downloaded eBook in to the **Documents** folder on the Kindle drive
6. eBook will be available on your Home page

## Help Menu:

To access the Help for OverDrive, select **Help** from the upper right-hand corner of the screen. Click **OverDrive Help** to watch online videos, find answers to frequently asked questions and more.

Public Library Books for Kindle Help: [www.amazon.com/gp/help/customer/display.html](http://www.amazon.com/gp/help/customer/display.html)

- Click on **Kindle Help, Video Tutorials & Tools** at the center of the page
- Click **Public Library Books on Kindle** from the center of the page

To return a book early, use your computer to log into your Amazon account. Use the navigation menu to select Kindle -> Manage your Kindle. You should now see a list of the titles in your Kindle ebook collection. Across from the name of the library ebook you would like to return, use the **Actions** drop-down menu to select "Delete from library." You will also use this method to delete a title whose loan period has expired.

To delete an expired title from the Kindle itself, use the 5-way controller to highlight the book, then click the right arrow button. Now click the **select** button to activate the **remove from device alert** that will appear on screen.

## Tips to Remember:

- Checkout Cart holds up to 10 titles for 30 minutes
- Check out up to 10 titles
- No renewals
- From **Account** click on **Settings** to select lending period of 7, 14, or 21 days as your default lending option for eBook, Audiobook, Music & Video – Click **done**
- Place holds on checked out titles – you will be notified via e-mail when they are available
- Hold pickup period is 3 days from date of e-mail notification
- Hold limit is 10 titles
- Titles automatically expire, no fees!
- Available 24/7, now your library is always open!
