

Update Week of November 26, 2018

Siding panels are installed on the South side of the new addition. The color selected by the Library for the LP Smart Side is Olive from Diamond Kote.

Lower-level ceiling grid next to the historic society office.

The hearth is prepared and ready to receive its mantel piece and stone veneer.

The main hallway is now painted and lighting is installed. The view is looking from the new West addition to the front entrance.

Exterior view showing trim installed around the South side windows. The color selection for the trim is chocolate by Diamond Kote.

Week Ahead

Coming up this week, the aluminum store fronts will begin installation. The timber columns at the main entrance will be prepped for stone work. Finished trim for borrowed lights, doors and base will be installed on the lower level. Ceiling grid installation on the upper level will be completed, and electrical rough installation will then be ready for finishing. Siding and trim will continue from the South side of the building, wrapping around the West side. The majority of the painting will be complete on the upper level.

About Greenfire

Greenfire Management Services, LLC is a construction management firm with two locations in Milwaukee and Wausau, Wisconsin. Founded in 2010, Greenfire is a wholly-owned company of the Potawatomi Business Development Corporation, the investment arm of the Forest County Potawatomi Community, and as such, maintains minority contractor status.
